Editor's Corner

This being my last bulletin, I would like to thank Scoop Lewry for the many articles he has sent me over the last 2 Years. I would like to thank Russ Brown For the address labels he had Photocopied for every issue of Timber Talk. I would also like to thank Norm Belsten for providing us with an up to-date as of June 28 83 C.A.W.M.C. membership list. And now a word on my behalf, I have had a lot of fun putting out this bulletin, and more important I have learned a lot about putting out a Newsletter. I will not be able to be at Moncton Due to another Committment.

A new wooden nickle to commorate the building on the World's largest Moose to be built at Moose Jaw, Saskatchewan, has been issued by the Mayor of that western Canadian City, J.H. Scoop Lewry. The 30-foot replica in steel and concrete will be constructed this summer by a Saskatoon sculptor, Don Folds and will be in place beside the Trans-Canada Hwy on the north side of Moose Jaw.

Lewry was named "Chief Moose booster " by the committee arranging the construction of the moose which it is hoped will entice a good number of the four million tourists who annuaily drive the Hwy in Saskatchewan. The wood is available to collectors at 2 for a \$1.00 Postpaid. That's all folks
